About us :

VR Multi Clean Services started as a small company with a big dream to provide quality home services to people throughout the continent. The trust our customers have put in us and the amazing feedback we receive has helped us grow into one of the most loved cleaning companies around.

Today we cover areas in SURAT, BARODA & AHMEDABAD. We look forward to extending this list in the future and help more families and business owners throughout the counts.

We get it, you're busy. You have so many other things to do, but it's important to protect your most valuable asset. When you need House, Office, Corporate House Cleaning, pressure washing VR MCS.

We have simple online booking and so you can easily get an estimate and book an appointment. All services are scheduled for a specific time rather than within a service and you don't even need to be home for us to get the job done right the first time! **Your home will love you.**

Vision, Mission and Values

As a long-established commercial, Residential, Industrial cleaning company, VR Multi Clean Services believes that it is important to remind our customers and cleaners of the core principles that drive our business and the work we do.

Facade Cleaning :

We use modern cleaning tools that meet the industry's latest quality standards. This guarantees an excellent service quality.

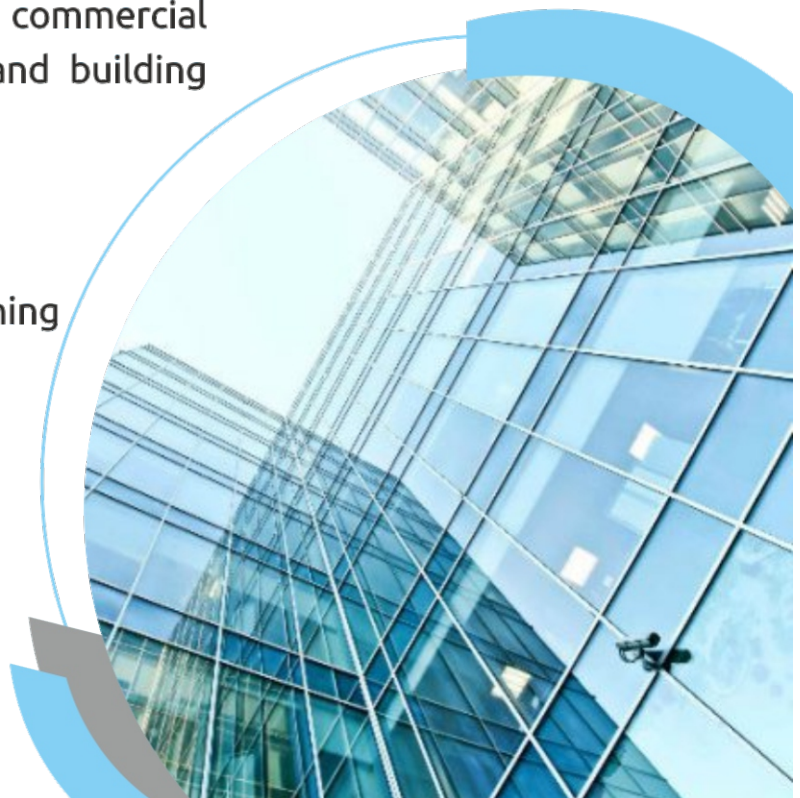

Glass, Louvers, ACP Sheets, Stone, Zinc Sheets Cleaning We use modern cleaning tools.

Deep Cleaning :

VR MCS provides a full range of commercial detailing for property managers and building owners of any low rise building.

- General builder's clean
- Internal and external window cleaning
- Clinical area specialist
- Porous tiled and vinyl floors
- Temperamental surfaces
- External cleaning
- Ventilation hygiene

House Keeping Services :

You've probably heard the saying, "A clean home is a happy home". Well, that doesn't only apply to the inside of your house. We often forget that the outside of our home needs some attention too! While it certainly doesn't need to be cleaned as often as the inside, it's something that really does need to be done every year. Thankfully, you don't have to tackle the job yourself. VR MCS is here to help!

Industrial Ware House Cleaning :

High level warehouse cleaning can be undertaken internally, our skilled technicians can skillfully navigate around your existing storage and machinery to ensure that all areas at height are as clean as ground based areas. In extreme circumstances where access is difficult we are able to utilise our in house rope access technicians to provide cleaning to high areas and within confined spaces.

Interior & Exterior Glass Cleaning :

VR MCS provides professional interior & exterior cleaning services for your name. Your home deserves the best and our kilted technicians provide professional quality residential service.

- Effective eco-friendly methods
- Fully insured technicians
- Short-notice bookings
- Competent customer support
- 100% adherence to professional standards

Water Tank Cleaning :

by World Health Organization

- Mechanized Dewatering
- Sludge Removal
- High Pressure Cleaning
- Vacuum Cleaning
- Anti-bacterial Spray
- UV Radiation

Invisible Grills Bird Nettings & Spikes :

Invisible grills provide safety without obstructing any view from your windows or balconies. This makes them a great option for aesthetics, families with younger children or pets living in high rise buildings and those who love leaving their windows or balcony doors open for natural light...
